Subject: - National Youth Parliament

2nd Edition (Oct. 2022)

Respected Chair/colleagues, other dignitaries and dear students, we warmly welcome you all here in yet another edition of Youth Parliament 2022. This Youth parliament has a very sacred service to offer to both society and state.

National Youth parliament introduced 1965 was first practiced in 1966 with the aim to strengthen democracy at root level and encourage young hearts and minds to behave as prêt-à-porter or readymade products to wear any cap at critical junctures of time. These future ready young minds prove handy in all circumstances and rise to the occasion by displaying an orderly role for both state and society.

In this National Youth Parliament, young generation is acquainted with and exposed to the leadership qualities and Rolesof parliament, i-e, Council of state or Rajya sabha, House of peopleor Lok Sabha and President.

The parliament decisions affects us all in all capacities and circumstances. Therefore, parliament is becoming pivotal to play its part in reaching to a decision which pleases more and provokes less. This Youth parliament teaches us all how consent based civic values/decisions add to our civility. It also inculcates in us many attributes. Among many few but important ones are: -

- a) Practices and procedures of Parliament
- b) Healthy habits of Citizenship education
- c) Democracy...where each and every opinion is heard/respected
- d) Accommodation to diverse and different views or voices
- e) Teaches tolerance and respect in dissimilar/diverse society or state(Ethnic, social, sex, economic, religious, cultural, etc.

Without consuming much time, I beg you my leave and handover stage to deserving team.

So All stage is yours.

Thank you very much
